FOREIGN NEWS.

LONDON, May 21.—A box with five attached was discovered on the steps of the Peterbury Cathedral yesterday. When examined at the police station it was found to contain four bottles filled with various colored liquids, together with many wires and springs. On the lid of the box was the representation of a skull and cross bones, with the words: "Beware of the Invisible Army." The box was marked: "Deput Branch Office, 57 Broadway street, New York." On a slip of paper inside of the box were the words: "Conscience makes cowards of all men." Although the affair is considered a hoax, the worshippers at the cathedral were much alarmed.

PARIS, May 21.—In the second ballot for a member of the Chamber of Deputies for the Sixth Arrondissement today, M. Cailh, Conservative, received 3,036 votes; M. Bataillier, Opportunist, 2,999, and M. Renaud, Opportunist, 1,134.

PARIS, May 21.—The so-called Workingmen's Congress was held here last evening and ended in a general fight. One man was stabbed, and several others, including Joffe, a member of the Municipal Council, otherwise injured.

DUBLIN, May 21.—Dolaney, one of the Phoenix Park murderers who pleaded guilty, has been released.

William Hardee and Solomon Hewitt, who were sentenced to be hanged at Carson, Nev., June 8, for the murder of J. P. Smith, were released from jail Tuesday. They were released by a colored boy employed at the jail, who, during the absence of the jailer, secured the keys and unlocked the doors of the murderers' cells. Before leaving they cut the throats of a fellow-prisoner named McMillan, who will undoubtedly die. A large posse are on their trail, and it is expected they will be recaptured.
